Annual ceremony of the International Institute of Management (IMI) of Calcutta

Consul General Damien Syed participated in the 5th annual ceremony of the International Management Institute of Calcutta (IMI Kolkata) on 18 May 2017.

Mr. M. Akbar, Indian Secretary of State for Foreign Affairs, was the guest of honor of the event and gave a speech on the occasion.

Mr. Sanjiv Goenka, Chairman of the Board of Governors of IMI Kolkata, presided over the ceremony.

Graduate degrees and medals were awarded to students of this year's promotion.

IMI Kolkata has entered into successful partnerships with four French institutions: the ESC Rennes School of Business, the University of Tours, the University of Bordeaux and the IDRAC Business School.

As part of these student exchange programs, a dozen Indian students studied in France last year and, conversely, five French students from Rennes came to study at IMI Kolkata in 2016.
