

Dr. Sahana Roy Chowdhury and Dr. Rituparna Basu of IMI Kolkata signs learning agreement under Erasmus +

Dr. Sahana Roy Chowdhury and Dr. Rituparna Basu respectively from the areas of Economics and Marketing at IMI Kolkata signs learning agreement under Erasmus+, the prestigious EU's programme to support education and training youth in Europe. Under the agreement the duo have been invited to teach a host of specialised topics to their Master's level students at UPEM, the well-known public university in Paris. They are primarily invited to disseminate knowledge along their globally recognized research papers and subject expertise.
