

WALLRUSH : The creative & content club

WHO ARE WE

Our goal is to help students to explore the world of creativity through various literary activities and events. We not only provide a platform to aspiring authors, content developers & creative enthusiast but also equip them with the skills to bridge the gap between their passion and professional career to solve sophisticated business issues.

WHAT WE DO

The kinds of events we organize are:

- Literary Competitions
- Content Workshops
- Speaker sessions
- Role plays
- Puzzle & Games
- Fine arts

OUR TEAM

“The club has witnessed an exemplary contribution towards developing my interest on literature & other related activities thus making me more inclined towards pursuing my passion.”

-SUBHRANSU SAHU

“The world of creativity has no end and it’s required to think out of the box for leading successful business and hence WALLRUSH has provided me with a platform to enhance & encourage talents within me & others.

-SUBHANU BHATTACHARYA

“To live a creative life we must lose our fear of being wrong. Creativity and innovation is key to success. This is what WALLRUSH has taught me. Being the part of this club, I learnt to bring out my hidden creativity.”

-RAJANI PANDEY

“WALLRUSH provided me with a forum to indeed be ‘brave’ and begin my development as a thinker, a writer and all in all a creative being“.

-SONALI GARG

“Innovativeness is knowledge having a great time. I was innovative however WALLRUSH bailed me in ending up more imaginative and drew out the creativeness of me.

-KARAN MISRA
